

SCOUT PRESENTS RELIGIOUS PHASE OF ORGANIZATION

Raymond Cobourn Speaks
As Christian Church Ob-
serves Scout Day.

GIRLS ALSO HAVE
PART IN PROGRAM

Scout Programs At Other
Churches Prove To
Be Interesting.

With Girl Scouts of Thistle Troop captained by Rebecca Davis replacing the choir Sunday morning, Rev. H. L. Miller of the First Christian church turned over the service to Boy and Girl Scouts in observance of the 13th anniversary of the Boy Scout movement, and the young people acquitted themselves with great credit.

Roberta Reese and Margaret Lux-
ley told of the Girl Scouts' endeavor
to dignify household duties as well as
to provide healthy recreation.

Mildred McIlroy and Jeanette Stod-
dard sang, while Gladys Wisner played
a violin solo. Donald Smith of
Troop 3 told how the Boy Scouts
were organized in 1910 from the Sons
of Daniel Boone established in 1905
by Dan Beard and the Woodcraft In-
dians which had been started a year
later by Ernest Seton-Thompson.

Raymond Cobourn, 15-year-old senior
patrol leader of Troop 7, ably pre-
sented the religious phases of scout-
ing. He said:

"Some people have criticized the
Boy Scout program because there is
not enough religion in it. Perhaps
this is true, but what can be expected
in a world that seems to be suffering
from unrest because there is not
enough religion in business, in educa-
tion, in sport, or even in the church
itself.

"All of us with the possible excep-
tion of William Jennings Bryan, display
certain animal instincts. But some
have attained a higher type of de-
velopment than others. Yet from early
childhood we display traits that trace
only too true our developments from
the savage to the civilized state.

"In the Puritan days our ancestors
were forced to sit in straight-backed
pews listening to sermons that would
make the famous Marathon race look
like a 220-yard dash. But fortunately
times have changed and ministers to-
day are more concerned with service
than with services. The spirit of
fair play is coming to the front.

"This spirit of Christian service is
apparent in the endeavor of the Boy

FRIENDS RESCUE WORK EXPLAINED

Special Offering Follows
Talk By Miss Reams,
Field Worker.

Miss Evangeline Reams, field work-
er for the Friends Rescue home, Col-
umbus, spoke at the morning serv-
ice Sunday at the First Friends
church. Her talk related to the work
done for fallen girls who are cared
for at the home. A special offering
for the home was taken at the close
of the service.

The Fellowship meeting announced
for Friday evening has been post-
poned on account of sickness and fur-
ther announcement of it will be made
later.

Monday evening those interested
are asked to meet at the church to
rehearse Easter music.

All over Ohio Yearly meeting
Thursday is being observed as a day
of prayer for missions. This church
will be open all day on that day and
in the afternoon the Missionary cir-
cle will hold its meeting at the church.

Poison Booz Fatal

Cleveland, Feb. 12.—Coroner P. A.
Hammond today was investigating
two additional deaths believed to
have been caused by poison booze.
Thus far 14 deaths in Cleveland this
year are said to have been caused by
illicit liquor.

Pastor Answers Charges Of Scientists And Russelites

Jesus Christ and the efficacy of His
blood was exalted by Rev. M. M. Co-
ffin, pastor of the First Friends church
in his Sunday evening sermon on
"What Does the Bible Say About
Jesus Christ and The Atonement."

"Now the Bible is either the Word
of God or it is not the Word of God,"
declared Rev. Mr. Coffin, and contin-
ued, "I personally believe this book
the very word of God and that it is
not the word of man."

Quoting from Sidney Collett's
book, "All About the Bible," the
speaker made this statement, "In
spite of critics this fact should never
be forgotten, that no error or contra-
diction of any kind has ever been
proven to have existed in the scrip-
tures as originally given by God."

WANTS RECEIVER NAMED FOR SALEM FURNACE COMPANY

Alliance Printing Company
Files Suit Against The
Electric Furnace Co.

Lisbon, Feb. 12.—The John T. Jar-
man Printing Co., of Alliance is
plaintiff in an action filed Monday to
secure the appointment of a receiver
for the Electric Furnace Co. of Salem,
the plaintiff alleging that the com-
pany is insolvent.

They state that bonds in the sum
of \$125,000 have been issued and that
\$25,000 worth is due with no provision
for their payment, also that
\$17,000 is due the employees of the
plant for wages and that a total in-
debtedness approximating \$87,000 is
due creditors of the company.

They further state that there are on
the books of the company orders to-
taling \$30,000 and if the business af-
fairs of the company are properly ad-
ministered, debts can be paid.

They ask that the court appoint a
receiver to take charge of the com-
pany's affairs as there are discussions
among the members of the board of
directors which render it impossible
to have the business conducted in a
proper and economical manner.

Attacks Stark Bar For "Whitewashing" Officials In Probe

Alliance, Feb. 12.—(Spl.)—Rev. A.
A. Reavley, pastor of Union ave.
Methodist Episcopal church, who has
been demanding that a special grand
jury probe the Dr. Walker murder
case, turned his oratorical guns on
the Stark county bar association in his
sermon yesterday.

Dr. Reavley declared that the bar
association resolution, which sup-
ported the Stark county officials in
their work, was merely a whitewash
for the officials. He criticized Judge
George Clark of Canton for saying
that there had been only 40 murders
in the county, asserting in reply
that there had been 65 murders.

At the close of the service, which
was attended by an unusually large
crowd, the pastor gave his congrega-
tion an opportunity to sign petitions
seeking a special prosecutor for the
murder case.

Drinkwater's Drama Reviewed In Sermon

Members and visitors of the First
Christian church were entertained
by a review of Drinkwater's drama,
"Abraham Lincoln," presented by
Rev. H. L. Miller, the pastor, Sunday
night.

The story of the drama portrayed
by the Englishman was related most
capably by Mr. Miller. This review
was given in honor of the states-
man's birthday which was universa-
lly observed Monday.

"Now if the Bible is not inspired,
and part human and part divine, who
will come forward and tell what part
is divine and what part human?
Where will you draw the line?"

"There are no less than 333 prophe-
cies in the Old Testament concern-
ing the Messiah, and every one re-
lated to His earthly life and every
one was fulfilled to the letter.

"The scripture is given for our cor-
rection and if incorrect in any part
who would be counselled by it?"

Answering some criticisms from
readers of The News, Rev. Mr. Coffin
stated that while he loved the Quaker
church next to the Lord and his
home, he was not so much interested
in preaching Quakerism as stressing

GAS MAIN BREAKS, SIX DEAD, DOZEN OTHERS OVERCOME

Shoemaker's Entire Family
Wiped Out By Disaster
In Pitman, N. J.

HOSPITAL FILLED,
PULMOTORS USED

Creeping Gas Enters Homes
And Business Houses,
Rescuers Overcome.

Camden, N. J., Feb. 12.—Six are
dead and a dozen others were over-
come this morning when a gas main
broke in the business center of Pit-
man, 15 miles southeast of here, cov-
ering several blocks with deadly
fumes.

The entire family of William Bucc-
ci, a shoemaker, was wiped out. The six
bodies were found by rescue workers.
Firemen and citizens working as vol-
unteer rescuers were overcome. An
emergency hospital, set up in the cen-
ter of the town, was crowded with
victims. Pulmometers are being used
to revive them.

The bodies of Buccci, his wife and
four children, ranging in age from
four to 17 years, were found in their
house. Buccci and one daughter Jose-
phine were fully dressed. The other
members of the family were found
dead in bed.

Firemen equipped with gas masks
invaded the section of the town where
the creeping gas was entering business
houses and homes and rescued a
dozen people who had been overcome
and who were later revived.

The dead: D. Buccci, 40; Mrs. Buccci,
40; Norman Buccci, 17; Josephine
Buccci, 15; Purina Buccci, 19; Lewis
Buccci, 4.

Buccci and his daughter, Josephine,
evidently awakened by the odor of
gas had tried to reach the street and
spread an alarm. They were found
fully clothed lying in a hallway on
the first floor of their home near a
door.

Discovery of the grim tragedy was
made by Jacob Ruhn, who resides op-
posite the Buccci home.

The gas fumes threatened to wipe
out the family of Dr. T. T. Blackman,
a dentist who resides across the
street from the Buccci family. Dr.
Blackman may die.

Daniel S. Blackman, brother of Dr.
Blackman, and his sister Evangeline
Blackman, living next door, were also
overcome but were revived by pul-
mometers.

LINCOLN HONORED BY KIWANIS CLUB

Members Hear Address On
Lincoln's Boyhood By
W. H. Matthews.

Lincoln's birthday was appropriately
observed by the Salem Kiwanis
club at its noon luncheon in the Elks
home when W. H. Matthews, pres-
ident of the Salem Business college,
delivered an interesting address on
boyhood of the martyred president
and showed photographs of the log
cabin in which Lincoln was born.

"In the mountains of the south to-
day are made cabins much like that
in which Lincoln spent his boyhood,"
declared Mr. Matthews. "They house
a sturdy people of pure American
stock. While Lincoln's father lacked
the education of his mother, Nancy
Hanks, he passed on to the boy a
strong physique which placed the lad
at the head of all others in sports of
his time.

"From his mother Lincoln develop-
ed an appetite for reading, and he
devoted so much of his early youth
to devouring what books he could find
that he gained an undeserved reputa-
tion for being 'lazy.' This early read-
ing was undoubtedly responsible for
Lincoln's fund of anecdotes and for
his excellent use of the English lan-
guage. Hisstepmother also aided Lin-
coln in his early efforts to attain
culture, and it is said that she thought
much of Lincoln as she did of her
own children."

LINCOLN PROGRAM OPEN TO PUBLIC

All patriotic organizations of the
city and the public in general are in-
vited to attend the Lincoln day enter-
tainment at the Sons of Veterans
headquarters Monday night, the pro-
gram to open at 8 p. m.

Rev. H. L. Miller is the speaker
and the following program has been
arranged: Song, "America," welcome
by B. L. Flick; Lincoln's Gettysburg
Address; George Mounts; vocal solo
Miss Mary Mellinger; remarks by
Commander Benjamin Baird of the
G. A. R.; Mrs. W. L. Fuhs; Mrs. Paul
Probert and W. J. Hilliard; piano se-
lection, Miss Altha Wagner; address
by Rev. Mr. Miller; closing song
"Star Spangled Banner."

"DRY" HOME RAIDED NEAR E. PALESTINE; "FRAMEUP" HINTED

Man Arrested When Whisky
Is Found, Too Ill To
Appear For Trial.

Albert Shaffer, said to be a promi-
nent dry advocate, who resides near
East Palestine, was arrested Satur-
day by dry enforcement officers on a
charge of violating the Crabbie act.

The raid on Shaffer's premises was
made by Mayor Warren and Dr. S.
E. Conrad. The officers say they
confiscated a quantity of liquor. One
report is that 20 gallons were seized.
The liquor was found in a shed.
Shaffer denied the charge and claimed
he had no knowledge of its presence.
He said he had not been inside the
shed where it was found for several
months.

Shaffer was suffering from influn-
za at the time the raid was made
and was unable to appear before
Mayor Warren for an immediate hear-
ing. His hearing has been scheduled
for Wednesday.

Daniel Williams, a dry enforcement
agent working out of East Palestine
for whose arrest a warrant has been
issued by Justice of the Peace P. V.
Mackall of East Liverpool, charging
him with violation of the Crabbie act
is expected to give himself up today.

Williams' home near the Bell
school house was searched by Con-
stable F. P. Wherry Saturday and
three bottles partly filled with liq-
uor were confiscated. Williams was not
at home when his place was search-
ed, but his wife was there and she
was directed by Constable Wherry
to inform her husband that a warrant
had been issued for his arrest and to
tell him to surrender to Justice of the
Peace Mackall.

It is understood that Williams was
working with dry agents in East Pal-
estine at the time his home was
searched.

The warrant for Williams' arrest
was sworn to by Elias (Lash) Tuck
of Calcutta rd. In the warrant
Williams was charged with illegally
possessing liquor. "Tucker" arrested
the warrant for Williams' arrest a
few days after a squad of prohibition
agents, of which Williams is said to
have been a member, raided Tucker's
home and confiscated a still and sev-
eral barrels of mash. At a hearing
before Mayor A. W. Ferren of East
Palestine, Tucker was fined \$1500.

BISHOP DU MOULIN WILL VISIT CHURCH

Rt. Rev. Frank DuMoulin, bishop
coadjutor of the Episcopal diocese of
Ohio, will visit the Church of Our
Saviour for the Lenten service on the
evening of March 7, according to an
announcement of Rev. F. S. Eastman
Monday.

Bishop DuMoulin has just returned
from Florida where he has been re-
cuperating from the effects of a se-
vere attack of grip. He spoke be-
fore the Chamber of Commerce at the
Church of Our Saviour on Jan. 7 and
due to illness was forced to cancel
other speaking engagements during
the next few days.

He will go from here to Alliance
on March 8, where he will address stu-
dents of Mt. Union college and will
speak at the luncheon of the Lisbon
Kiwanis club at noon of that day.

BOY DROWNS AS ICE BREAKS

Charles Pavlin, 11-Year-Old Teegarden Boy, Loses Life
At Eagleton Glens—Rescuers, Attracted By
Companion's Screams, Recover Body.

Charles Pavlin, 11, son of Mrs.
John Stangle, who resides one-half
mile north of Eagleton, was drowned
about 1:30 p. m. Saturday while at-
tempting to cross the thin ice on the
creek at Eagleton Glens, five miles
south of this city. His body was re-
covered about one-half hour later.

Pavlin and Harold Libert, a neigh-
bor boy, had walked from Teegarden
to the Salem-Lisbon rd on an errand
and upon their return they left the
brick road at Badger's corners and
started down the creek road, accord-
ing to the Libert boy, whose excite-
ment and anguish made it difficult
to secure accurate details of the ac-
cident.

Urges Companion to Follow
As they approached the boat house
at Eagleton Glens the Pavlin boy
suggested that they cross the creek
to take a short cut home. His com-
panion hung back, fearing to venture
on the thin ice, but Pavlin started
across, urging Libert to follow. He
had proceeded less than half way
across the stream when the ice gave
way, and he plunged into eight feet
of water.

Terrified, young Libert stood on
the bank unable to do anything to
save his companion. His shouts and
cries were heard by Albert Moffett,
William Hippley and Edward Frean-
nan, residents of the neighborhood,
who hurried to his assistance.

J. W. Cordon, who resides on the
Depot rd south of Salem, had just
stepped from a Salem-Lisbon bus
when he encountered young Libert
running and crying that his compan-
ion had been drowned. Cordon went
to the grove, where Freeman and
Moffett had secured a boat and were
breaking the ice, trying to recover
the body with a rake.

When the body was recovered
some minutes later it had begun to
freeze, rescuers report.

Thought Son Was Drowned
In the excitement Clarence Libert,
storekeeper at Teegarden and father
of Harold Libert, gained the impres-
sion that his son had been drowned
and he rushed to the Glens. He reach-
ed the scene just as the Pavlin boy's
body was removed from the water.

Libert assisted in laying out the
body which was left at the dance and
refreshment pavilion until the ar-
rival of Coroner J. M. VanFossan of
East Palestine. The coroner was no-
tified by Sheriff Gomer Lewis, who
had been advised of the accident by
Homer Shelton.

It was a difficult task to break the
news to the dead boy's mother who
is in delicate health. Her condition
is such that fears were expressed the
shock might prove too great to bear.

Charles Pavlin was a student of
Highland school. Besides his mother
he is survived by three little sisters,
Helen, Rose and Ellen, all at home.

The body was later removed to the
Ellis funeral parlors at Lisbon, at the
consent of Coroner J. M. VanFossan,
who examined the body upon its ar-
rival at Lisbon.

Funeral service will be held at the
Ellis establishment at 2 p. m. Tues-
day with interment at Franklin
Square.

Charles Marshall, 42, And Fellow Worker, Killed Late Saturday.

Charles Arthur Marshall, 42, Bea-
Avon, Pa., formerly of Franklin
Square, and well known in that vi-
cinity, died in New Brighton, Pa.,
hospital about 2 p. m. Saturday from
injuries sustained when he was
struck by a train at Kenwood, Pa.,
about 12:30 p. m. that day.

Mr. Marshall, who was employed
as an electrical signalman for the
Pennsylvania company, was in com-
pany with another man working
along the track when the accident
happened. The men were working at
a curve in the line and a freight train
going east shut off the approach of a
fast passenger which gave them no
chance to escape. Mr. Marshall's
companion was killed instantly.

Charles Marshall, son of Ellis and
Mary Marshall, was born and spent
his early life at Franklin Square,
where he was highly respected. For
a number of years he had been em-
ployed by the Pennsylvania company.
He is a member of the M. E. church,
Franklin Square, and of the Masons
Odd Fellows and Knights of Pythias.

Surviving are his widow and five
small children, his aged father, Ellis
L. Marshall, Franklin Square; two
sisters, Miss Edith Marshall, at home,
and Mrs. George Collins, Washington
state; and one brother, W. E. Mar-
shall, Leetonia.

The funeral will be conducted at
the Franklin Square church at 1:30
p. m. Tuesday in charge of Rev. Mr.
Stewart, Leetonia, and the Masons.
Interment in the Franklin Square
cemetery.

THREE WILL SPEAK AT ROTARY MEETING

Scout Commissioner Lee R. Cham-
berlain; E. E. Enderlin, president of
the Salem Boy Scout Council; and
Douglas Vivian, athletic director of
Salem High school have been invited
to address the picked group of scouts
who with their scout leaders will be
the guests of the Rotary club Tues-
day noon in the Elks home.

For further entertainment there
will be a blackface comedy song by
Clyde Bolen, high school student who
made such a hit in the annual Sen-
ior carnival last December. Rotary
has invited five scouts from each
troop, the boys having been selected
because of their regular attendance
and general good work.

Objections To Road Assessments Filed

The county commissioners met at
the court house Monday but only rou-
tine business was considered. Next
Wednesday, however, the commis-
sioners will preside at the rehear-
ing of the objections to the assess-
ment of the Lisbon-Youngstown rd.,
property owners along the right
of way from the fair grounds stop
north of Lisbon to the Center town-
ship line being represented at this
hearing.

About two weeks ago a hearing
was held and owing to the mass of
objections and the difficulty in sort-
ing out the different claims, it was
adjourned until this date when the
matter will again be aired. Many
of the property owners are represented
by attorneys who will present their
pleas.

34 MEN ARRESTED IN GAMBLING RAID; ONE IS FINED \$50

Alex Lampros, Operator Of
Mullins Commissary,
Only One Fined

OTHERS RELEASED
AT TRIAL MONDAY

Men In Mad Scramble For
Cover When Officers
Appear.

Alexander Lampros, operator of
the commissary of the Mullins Body
corporation, was fined \$50 by Mayor
John W. Post Monday morning, when
he was found guilty of operating a
place where gambling was permitted.
In default of the fine he was remand-
ed to city jail.

Headed by Chief of Police T. W.
Thompson, a squad of city police in-
cluding Officers Jesse Gray, Wallace
Kirkbride and William Bryn, raided
the company's commissary shortly
after 10 p. m. Saturday.

Four games of poker are alleged to
have been going on when the officers
visited the house. Two decks of cards
and money said to have been the "pot"
were confiscated by the officers.

Thirty-four men, employed at the
plant, were arrested and taken to city
hall Saturday night, but were released
on suitable bonds furnished by the
Mullins company.

According to police the men made a
mad scramble for cover when they
seized the money and cards. Some
of them are said to have made their
escape, while others were found in
beds entirely clothed and others un-
der the beds.

All Plead Not Guilty

When arraigned Monday morning
they entered a blanket plea of not
guilty. They were represented by At-
torney R. W. Campbell. With the ex-
ception of Lampros the men were dis-
charged due to the fact that it was
impossible to identify them as having
been gambling when the officers vis-
ited the commissary.

They were warned by Mayor Post,
however, that he was aware that
gambling had been going on there
Saturday night and that he would see
that there was no more of it if he
had to post an officer there to see
that the law was obeyed.

City Solicitor L. B. Harris repre-
sented the city and conducted the
prosecution of Lampros. The latter
pleaded not guilty but admitted he
was in charge of the commissary,
stating, however, that he was not
present Saturday night, being com-
pelled to look after his duties as pro-
prietor of a lunch stand on Main st.

\$75,000 MISSING, MAN IS LOCATED

Buyer For Kaufman Bros Is
Found In Sanitarium
Near Pittsburg.

New York, Feb. 12.—The order for
the arrest of Mortimer E. Lautman,
buyer for Kaufman Brothers depart-
ment store in Pittsburg, issued after
he was alleged to have disappeared
with \$75,000, will not be served, it was
intimated today at police headquar-
ters when it was definitely ascer-
tained that he had been located.

Lautman, it was reported, has been
in a sanitarium in a city near Pitts-
burg.

The order for Lautman's arrest was
made by Chief Inspector Lahey and
Inspector Coughlin after Sol Michaels,
a lace manufacturer, complained that
he had given the missing man \$20,000
which he had failed to account for.

No request has been made to the
police of the Pennsylvania city for his
apprehension, it was said at police
headquarters due to the fact that
Lautman, obviously suffering from
amnesia or aphasia, had not delibera-
tely vanished with the money.

Leonard Gets Offer

New York, Feb. 12.—It was reported
here today that Benny Leonard
has received an offer of \$50,000 to

ship some time in May. The offer
was extended by John Morris, a Chi-
cago promoter and friend of Fried-
man.

evening church service.

Crime Stories

THOSE who have heard the charge

made that newspapers give an un-

due amount of their space to stories

of crime would have been interested

in the facts and figures on that sub-

ject by Prof. Bristow Adams of the

New York College of Agriculture be-

fore the recent gathering of news-

paper men in Columbus. Last June

and again six months later he mea-

sured the space given to various

classes of news in three great news-

papers of New York city, the daily

papers in cities of 25,000 and the dail-

ies in cities of less than 15,000 in

that state and found that about four

per cent of the space was filled with

stories that had some reference to

criminal activities.

The collection of these statistics

was undertaken to discover what

prominence was given to news of an

agricultural nature. To get a com-

parative showing, various classes of

news were made up and newspapers

were read, measured and classified for

a month at a time. The last mea-

surement was made when the Mer Rouge

hearing was on, the trial of Herrin

under way and a mysterious sena-

tional murder story under investiga-

tion in New Jersey. Because the Ku

Klux Klan was mentioned in connec-

tion with Mer Rouge all that pertained

to the Klan was measured as a part

of the criminal news. The highest

percentage shown at any time was six

per cent and it was as low as one per

cent, but the average for both months

was almost exactly four per cent.

That was less than was given to

schools and churches, in fact the

measurement showed that relatively

crime was far down the list as unim-

portant, foreign news, government,

labor, business and finance, politics

and even society passing it in many

papers. Newspaper men have shown

the charge was false, but it is im-

portant and pleasant that a disinter-

ested authority like Prof. Adams com-

plied statistics to prove it wholly with-

out foundation.

\$428,000,000 For Veterans

THIS year's appropriation by con-

gress of \$428,000,000 for the work

of the Veterans Bureau will bring the

total sum spent since 1919 by the gov-

ernment for the veterans to more than

four billion dollars. Is that ingrati-

tude?

Yet this four billion is only a small

part of the contributions made since

the armistice by the American peo-

ple to carry on and support the neces-

sary measures of relief. In every town

and city, funds have been raised for

needy ex-service men. Families have

been assisted by generous contribu-

tions from the American Red Cross.

American Legion posts throughout the

country have exhausted their post

treasuries in helping their less for-

tunate comrades.

What a huge total would result if

all these sums could be added to-

gether. Yet not one cent has been

given grudgingly. Government offi-

cials and private citizens have been

zealously mindful of their obligations

to those who made great sacrifices

during the war so that this nation

might live.

Never in history have the people of

any land been more appreciative of

the services rendered by defenders

of the nation. America can well be proud

of this fact. And when the record is

written for future generations to read

it should not be forgotten that the

pledges made by the administration

in 1920 have been faithfully kept.

Efficient organization of the Veter-

ans Bureau and the proper care of all

disabled veterans by the government

will always be remembered with pride

as one of the administration's great-

est achievements.

20 YEARS AGO

(Issue of Feb. 12, 1903.)

During January there were 11 births

and six deaths, according to the

health officers report. Four cases

of chickenpox and one case of m-

umps were reported.

Young Republican voters of this

city held a meeting last night and

lected these officers: President,
William Reich; vice president, Nor-

man Reich; secretary, John Mont-

gomery; treasurer, W. H. Dunn; cap-

tain, Charles Finney. C. D. Harris,
John Entriiken and George Hise com-

posed a committee on arrangements.

With the application of the new

municipal code to Salem's affairs

next April will come a shakeup in

the board of health. One of the

members of the present board will

have to be dropped.

Henry Walker, stonemason of this

city, and Miss Tillie Stitt, Hillsdale,

were married at 5 p. m. Wednesday

by Rev. H. W. Dewey.

Miss Rose Williams, Salem, and

James Bingham Perry, both colored,

were married yesterday at Lisbon.

Mrs. C. J. Bassett, who has been

visiting her mother, Mrs. Nellie Gib-

son, Lincoln ave., left last night for

Davenport, Ia., where she will join

her husband.

The Garfield brick plant resumed

operation this week. It is stated that

Mr. Devine has associated other cap-

italists with him, and new machin-

ery will be added at once.

Murray M. Kirby, employee of the

Luckey Engine company, had his

left hand badly lacerated in an ac-

cident early Thursday morning.

Mr. and Mrs. Charles Smith, who

reside south of town, are the par-

ents of a daughter.

\$80,000 Payroll Paid

In Lisbon District

Lisbon, Feb. 12.—An aggregate of

\$80,000 was paid in the community

surrounding Lisbon, Saturday, five

manufacturing plants paying off their

men. This is the first pay roll for

the five plants to be paid on one day

for some time.

The Lisbon factories have been par-

ticularly fortunate during the past

year, no strikes or shut downs having

affected them. In addition the Seager

Coal company and the mines at Cole-

man, west of Lisbon, paid off and as

a result business was brisk here.

Lisbon Teams Lose

To East Liverpool

East Liverpool High school basket-

ball teams won a double victory over

the two Lisbon squads in games play-

ed Saturday night at the county seat.

The boys had no trouble winning by

a score of 39 to 17, while the girls man-

aged to pull through after a hard

struggle by a score of 24 to 16.

How to Make Pine

Cough Syrup at Home

Has no equal for prompt results.

Takes but a moment to prepare,

and saves you about \$2.

You know that pine is used in nearly

all prescriptions and remedies for coughs.

The reason is that pine contains several

peculiar elements that have a remark-

able effect in soothing and healing the

membranes of the throat and chest. Pine

is famous for this purpose.

Pine cough syrup is combinations

of pine and sugar. The "syrup" part

is usually plain sugar syrup.

To make the best pine cough remedy

that money can buy, put 2 1/2 ounces

of Pinex in a pint bottle and fill up

with homemade sugar syrup. Or you

can use clarified molasses, honey, or corn

syrup, instead of sugar syrup. Either

way, you make a full pint—more than

you can buy ready-made for three times

the money. It is pure, good and very

pleasant—children take it eagerly.

You can feel this take hold of a rough</

SCOUT PRESENTS

(Continued from first page.)

Scout to do a good turn daily, and in the Boy Scout oath, to keep myself physically strong, mentally awake and morally straight. The Boy Scout pledges himself to be true, worthy, loyal, helpful, friendly, courteous, kind, obedient, cheerful, thrifty, brave, clean and reverent.

Every scout pledges himself to do his duty to God and his country and to help other people at all times. Thus any boy who honestly tries to do his things will naturally become a true gentleman, a good citizen and 100 per cent American.

The scout stands for clean speech, clean sport and runs with a clean crowd. Because of the high ideals of scouting, the churches are getting behind the movement more and more each day.

The scout looks to the Sunday school for instruction along religious lines that he may build a Christian character and be better prepared to do his good turn daily according to the Golden Rule.

Scout on "The Square Knot" "The Square Knot" is the symbol of a Boy Scout. It is a symbol of the Scout movement. The pastor, himself a scoutmaster, pointed out that the knot was called "square" not so much because of its shape but because it was reliable and could be trusted to do its work without slipping in small or large tasks.

The false reef or granny knot is much like the square knot in appearance, but cannot be trusted to hold. continued Rev. Harman. So in life you cannot always judge by appearances. By performance rather than by appearance we must judge people as well as knots.

Some knots may be tied with only one rope, but it takes two ropes for a square knot, thereby requiring the element of cooperation and teamwork rather than individual action. In life, as in knot tying, we should learn the lesson of self sacrifice and faithfulness. For as a rope must be bent and remain in position, so must our own will be bent to serve the good of society and we must occupy our individual positions in the community so that we may develop together as a nation.

Boy Scouts of Troop 4 served as ushers at the morning service. In the evening the Girl Scouts of Thistle Troop addressed the congregation and contributed vocal numbers.

Gordon Boosts Movement Commending the Scout movement, in his Sunday morning sermon, Dr. P. H. Gordon, pastor of the Presbyterian church, urged the people to get behind the movement. His sermon subject was "The Multitude."

In recognition of Scout Sunday the scout oath and law were given by members of Troop 3, Boy Scouts, of which J. R. Daugherty is scoutmaster, and at the evening service the flag salute by scouts of this troop was a feature.

Methodist Program Dr. T. T. Church, Scout Commissioner L. R. Chamberlain, Ray P. Carter, executive secretary of the Salem Community Service, and Rev. H. H. Scott, gave addresses when a special program in observance of Scout anniversary week was given Sunday evening at the M. E. church.

Dr. Church in speaking on "What a Boy Scout Is" in clear and concise statements told of the aims and purposes of Scout life.

Scout Commissioner Chamberlain led the Boy and Girl Scouts in salute of the flag, which was lowered from the ceiling. Mr. Chamberlain stated that his reason for liking scouting was because of its big program and because it leads the scoutmaster into closer intimacy with nature and into closer contact with young life.

Mr. Carter drew a parallel between conditions today and a generation ago. All the practical benefits of scouting supply to the youth of this generation much that was lacking in the life of the youth of a generation ago when boys and girls were introduced early to practical hard work and close contact with a strenuous life.

Rev. Mr. Scott spoke of Theodore Roosevelt as being the ideal scout and made reference to his outdoor life on the ranch, in the Rockies and in Africa and South America. He said it was the desire of Roosevelt to secure for every boy and girl the education of the hand and heart as well as of the head.

Harold Shears repeated the Scout oath, slogan and Scout law.

IF YOUR STOMACH ISN'T ACTING RIGHT BEGIN TAKING SALTS

Pimples, sores and boils usually result from toxins, poisons and impurities which are generated in the bowels and then absorbed into the blood through the very ducts which should absorb only nourishment to sustain the body.

It is the function of the kidneys to filter impurities from the blood and cast them out in the form of urine, but in many instances the bowels create more toxins and impurities than the kidneys can eliminate; then the blood uses the skin pores as the next best means of getting rid of these impurities, which often break out all over the skin in the form of pimples.

The surest way to clear the skin of these eruptions, says a noted authority, is to get rid of any impurities about four ounces of Jad Salts and take a tablespoonful in a glass of water each morning before breakfast for the week. This will help prevent the formation of toxins in the bowels. It also stimulates the kidneys, thus coaxing them to filter the blood of impurities and clearing the skin of pimples.

Jad Salts is inexpensive and is made from the acid of grapes and lemon juice, combined with lithia. Here you have a pleasant, effervescent drink which usually helps make pimples disappear.

Montana Lays Claim To Fame With Odd Laws

Helena, Mont., Feb. 12.—Montana may become noted for its freak legislation, if legislation sessions continue their flood of odd and curious measures.

A bill introduced by State Senator John Oliver is drawn with intent to make prohibition enforcement agents safe from violators of liquor laws in that it provides for disarming such violators. In commenting on the bill, the question was raised why burglars, robbers and murderers should not also be disarmed.

Under Senator Oliver's bill it would be unlawful for any person to have firearms or other deadly weapons within 100 feet of the place where the liquor laws are being violated, or to carry a deadly weapon in an automobile or other vehicle being used for the purpose of violating the liquor laws.

Another "freak" measure to be introduced in the house by Mrs. W. W. Hamilton, of Phillips county, jointly with Mrs. Catherine C. McCarthy, of Dawson county, will make it a misdemeanor to drink intoxicating liquor within 500 feet of a dance hall. Both federal and state laws already make it a misdemeanor to have liquor in one's possession at such places.

Rep. George T. Seibert, of Helena, has requested the assembly to enact a law to curb the activities of mothers-in-law, alleging that "mothers-in-law break up more homes than any other evil." He wants county attorneys to be empowered to

prosecute mothers-in-law when they interfere in homes.

During a heated debate in the house on a measure to regulate the practice of podiatrists one member interrupted to present a motion that the bill apply only to horseshoers and blacksmiths.

Cleveland Man Writes Friends in Scotland About His Benefit From Tanlac

"Tanlac has been such a fine thing for me that I have even written some of my friends in Scotland about its goodness," said John M. Wilson, 606 Woodland ave., Cleveland, O., recently.

"Last summer I worked on a farm and got in a terribly run-down condition. My appetite so completely went back on me that even a good wholesome country meal wouldn't coax it back. A sour stomach, cramping pains and shortness of breath kept me pretty well used up and the headaches and dizzy spells were fearful. My back ached so bad I could hardly do any lifting and I came in at night so tired and worn-out I couldn't half sleep.

"But Tanlac soon pulled me out of the ditch. Four bottles of the medicine knocked my troubles a kiting and I have put on fifteen pounds in weight besides. Why, it seems like I have enough strength and energy to last a lifetime, and I want my friends and everybody else to know that Tanlac is what fixed me up."

Tanlac is for sale by all good druggists. Over 25 million bottles sold.

Lisko Will Captain Cross Country Team

Charles T. Lisko, of Salem, was elected captain of next year's cross-country team at the annual banquet of the Ohio State university cross-country club held Thursday night at the Chittenden hotel in Columbus.

At the same time, letters were awarded Captain Lowell Hancock and six other members of this year's outfit. They were: Cranz, Greer, Lisko, Hartzel and Manager Willis. Fifteen new members were initiated into the cross-country club.

The banquet was attended by 30 members of the Buckeye squad, including eight freshmen who showed up well last fall.

An attempt will be made to secure an extra car to run from Lisbon to West Point, over the Y. & O. interurban line, the car to make a run at 7 o'clock in the morning and at 4 o'clock in the evening.

About 140 residents of Lisbon work

in the mines in and near West Point and at present they fill the car on the 7 o'clock run in the morning to suffocation. The men believe that the company will listen to their request for an extra car and will petition for the addition to the service to be made.

PASTOR ANSWERS

(Continued from first page.)
the fundamentals of the gospel, and that the Atonement to the Christian Student and an international Bible Student has an entirely different meaning than it has to the Christian. He denied the charge made by an International Bible Student that what he had said in his sermon on Saturday evening, Feb. 4, regarding hell was a "God dishonoring doctrine of eternal torment."

He referred again to Jesus Christ's account of Lazarus and the rich man as recorded in Luke 16, stating that it was not a parable, because Jesus always told them to whom he was speaking when he spoke in parables and on this occasion He stated definitely that there was a certain rich man and that there was a beggar.

"If the English language means anything, it means what it says," the speaker said. "He dishonoring to the judge who sits in yonder criminal court to sentence the criminal to life imprisonment when he has been proven guilty? Man has been given the power to choose and God has made a way of escape from hell. God has faithfully pictured the doom of the damned and the reward of the faithful."

"The Atonement means the way of escape. The Bible says God is not willing that any should perish." Rev. Mr. Coffin read to his audience just how Christian Scientists, Rosellites and Spiritualists explain the Atonement and what they have to say about Jesus Christ.

newer rationalistic schools of thought and those who exalt reason over faith, soon take up superstitions. Faith and reason must go hand in hand. The just shall live by faith." Rev. Eastman also mentioned the newer superstitions that travelers bring home from China and India. He told of many instances of suffering in many countries even to sacrificing lives through superstitious beliefs.

The burial alive of wives of an African chief was one of the illustrations of the rector. Several of the wives are laid upon the floor of the burial pit and across their living bodies is laid the corpse of someone having died from disease. The bodies are then buried and after the earth has been filled in upon the grave, slaves are slaughtered upon it. "Travelers have only to tell of these superstitious beliefs and minds that are not full of God's revealed truth, accept them," concluded Rev. Mr. Eastman.

STERNER PROGRAM TO FORCE GERMANY TO YIELD, IS PLAN

Paris, Feb. 12.—France has yielded to Belgium's insistence for more rigorous treatment of Germany, it was learned "this afternoon from sources close to the government. When Premier Poincare goes to Belgium later in week final details will be added to a stern economic-military program designed to force Germany to yield to France-Belgium demands in the Rhineland or go to her knees in financial and industrial collapse.

France and Belgium are understood to be in accord on virtually all points, but further negotiations are necessary before the plan can be completely effective.

In reprisal for German strikes, sabotage and the continued urging of Berlin government officials for intensive passive resistance, the French are putting an embargo upon the shipment of coal, coke, iron and steel and other products from the Ruhr and Rhineland into the unoccupied parts of Germany.

As Germany's coal mine and the most of her industries are in the regions occupied by French and Belgian troops, this will cause complete industrial and commercial stagnation throughout central and eastern Germany.

SMYRNA SITUATION IMPROVING, REPORT

Report Of 3-Day Ultimatum To Allies Is Denied By British.

Paris, Feb. 12.—Allied warship commanders at Smyrna are negotiating with the Turkish authorities for harbor facilities said Smyrna advices to French foreign office this afternoon. Foreign office officials said this in dicates that the situation at Smyrna was improving.

London, Feb. 12.—The British government is without confirmation from Gen. Harrington, British commander at Constantinople, that Turks have issued a new "ultimatum" to foreign warships to leave Smyrna harbor, it was announced by the foreign office this afternoon.

The Turkish authorities at Constantinople have delivered a verbal message to allied high commissioners which is regarded as conciliatory and which is believed to be a forerunner of a formal communication in which the Turks will yield completely to the allies.

Reports of the new Turkish demand and the news that the naval commanders at Smyrna would reject it were contained in newspaper dispatches from Constantinople; not in official advices. According to these telegrams the Turks have demanded that foreign warships depart from Smyrna harbor within three days.

COOPER TO MAKE SURVEY OF LABOR

Cyrus Cooper, Middleton, and Ames Henderson, Barnesville, will visit the industrial classes of the United States on a religious mission.

Mr. Cooper was granted credentials for this work at a meeting of Salem quarterly meeting Saturday at the Albur Friends meeting house, East Sixth st. Just when they will begin his work was not announced.

A memorial was read for the late Esther Fowler, who died last spring, and will be forwarded to the representative body of Ohio Yearly meeting and if approved by it will be published.

Anna Walton, prominent in Philadelphia yearly meeting, was a visitor at this meeting. She will probably leave Tuesday for Barnesville.

ASH WEDNESDAY FEB. 14, OPENING OF LENTEN SEASON

Name Taken From Ceremonial Use Of Ashes As Symbol Of Penitence.

Ash Wednesday, which falls this year on Feb. 14, marks the beginning of the Lenten season. Religiously considered, Ash Wednesday takes its name from the ceremonial use of ashes as a symbol of penitence, which is traced back to the penance of sackcloth and ashes spoken of by the Old Testament prophets.

Prior to the Reformation, all Christian believers conformed to this ancient ceremonial. Its use has been abandoned in later days by the reformed churches, and is now retained by the communions of the Church of Rome alone; in whose places of worship, ashes obtained from the burning of palms blest on Palm Sunday of the year previous are thrice sprinkled with holy water and consecrated. Thereafter the officiating priests make the sign of the cross upon the forehead of communicants with the thumb dipped in consecrated ashes, intoning the words: "Remember man that thou art dust and unto dust thou shalt return." This custom dates back at least to the early days of the eighth century.

Among the reformed churches, the Church of England marks the day by a Communion service, parts of which are taken from the Benedicite Cierum in the old Sarum Manual, and a distinctive element of which is the reading of God's condemnation of impenitent sinners from the Book of Deuteronomy. The prayer book of the Episcopal church provides a special penitential office for Ash Wednesday which includes the more ancient part of the Communion service. It is an impressive service of penitence and supplication and is said kneeling.

Forty Scriptural Number
In the Anglican and Lutheran communions as well as in the Roman Catholic, however, the Lenten fast is still maintained, and though through the year the period of fasting has frequently varied, by common acceptance among all Christian communions the forty-day period is now observed; and not without reason since "forty" is a scriptural number.

For forty years, for illustration, the children of Israel were under discipline in the wilderness. Moses fasted forty days in the Mount. Elijah fasted forty days in the wilderness. For forty days, Christ fasted before entering upon his public ministry. Beginning with Ash Wednesday the Lenten season really covers a period of forty-six days, but as Sunday has always been regarded as a feast, these six Sundays are not counted as belonging to the fast.

The word lent is derived from the Anglo-Saxon word leneten, meaning spring, and, as the fast falls in the early part of the year, by common usage Lent is now generally associated with the beginning of spring, which comes to full flower with the Easter Festival of the Resurrection and the re-awakening of life. The first mention of Lent is found in a Canon of the Council of Nicea, 325 A. D., and in the Christian church is known as the period of fasting preparatory to this Easter festival.

As with all these ancient festivals many quaint and curious customs attaching to Lent have been handed down through the ages. In medieval times meat, eggs and milk were forbidden in Lent, not only by ecclesiastical, but by statute law. It is from this prohibition of the eating of eggs, that the Easter egg custom of modern times grew.

Strict Observance Softened
The chief Lenten food from the earliest days was fish and in the England, of Edward III, herring pies were so great a delicacy that charters granted to seaports often stipulated that the town should send many herrings or other fish to the king during the Lenten season. The strictest abstinence was enforced and to such an extent that during the siege of Orleans in 1429 the besieging army was reduced to starvation through lack of Lenten food, though in full possession of meat and other supplies.

A writer in the Encyclopaedia Britannica, states that the Battle of the Herrings, February 1429, was fought to cover the march of the convoy of Lenten food to the British army before the beleaguered city.

This strict observance of Lent has gradually been softened, though it continued to be inculcated by such earnest churchmen as William Law and John Wesley, and the custom of women wearing mourning in Lent, which had been followed by Queen Elizabeth and her court, survived well into the 19th century. Here, in America, in the Roman Catholic as well as in the Episcopal and Lutheran churches, while conformation to the rules laid down for fasting is urged, a tolerant policy is observed and the devout are neither required nor expected to engage in such fasting as might be deleterious to health.

ASK CLUB TO HELP
BUILD NEW PLANT

Leetonia Kiwanis Club May Help Finance Fabricated Steel Co.

Leetonia, Feb. 12.—Plans for assisting the Fabricated Steel Products corporation to erect a new plant in Leetonia were discussed at the meeting of the Kiwanis club last week. The company's buildings were destroyed by fire about two years ago, since which time the company has continued operations in tents and in the open.

Decision to aid the company was delayed until the meeting next Wednesday, when a committee appointed to investigate will make its report. Ground has been leased for the new buildings.

Successful operation of the Fabricated Steel company the last four or five years has warranted some assistance, the Kiwanians were told. It is proposed to issue \$8,000 of stock to be secured by first mortgage on buildings and equipment when the plant is completed. The bond holders would elect their own officers and have control of the corporation's business affairs.

COUNTY ATHLETIC MEET TO BE HELD AT LISBON MAY 13

Medals Will Be Given For Fourth Place Winners In All Events.

The annual, Columbiana county track and field meet will be held at Lisbon Saturday, May 13, it was announced following the monthly meeting of the county scholastic athletic association, held Saturday afternoon at Lisbon.

Few changes will be made in the change will be the awarding of medals for fourth place winners in all future events. Previously only winners of first, second and third places were awarded recognition.

Either Head Coach John Thorpe of Mt. Union college or Physical Director Paige of Youngstown Y. M. C. A., will be secured to handle the meet this year. Thorpe was in charge of last year's event.

No satisfaction was reached with regard to scheduling the return game between Salem and East Palestine scholastic basketball teams. The local officials were forced to cancel the game scheduled for last Friday with the East Palestine passers, due to illness of team members.

East Palestine, it is claimed, has refused to meet the Red and Black later in the season. Due to the fact that neither the East Palestine principal nor coach attended the county meeting Saturday, Prin. Rohrbach was unable to reach an agreement with the Palestine officials.

The present officers were re-elected.

Two Machines Crash, Both Drivers Hurt

Two automobiles crashed on the death curve at McCracken's corner Friday night and both machines were almost totally demolished. L. G. Bowery of East Liverpool, driver of the north-bound auto, was severely cut about the head and had a bad injury to his back. C. E. Eagle-

ton, driver of the other car, escaped with a cut above the eye.

Both drivers had turned out to allow the other machine to pass. Bowery's machine slipped off the paving. Fearing it would be ditched he swung the wheel to the left. His car mounted the pavement at an angle and before it could be turned hit the Eagle-

ton car. Deputy Auditor E. E. Walker of Lisbon, who was following Bowery, helped him to Salem where he took a car for his home.

No more Rheumatism

Suffering has gone from your face, mother!

S. S. S. is the Great Builder of Red Blood-Cells and Rheumatism Must Go! Just Try It!

"Rheumatism? No! No, indeed, it's all gone, every bit of it! It's sunshine and joy for me now for the first time in years. I feel a wonderful glow again in the free motion I used to have when my days were younger. I look at my hands and think of the twists and swellings they used to have. I bend way over to the floor. I haven't been able to do that in many years. I can thank S. S. S. for it all! To me it was a rising sun of joy and liberty. Brothers and sisters in misery, do not close your eyes and think that health, free motion and strength are gone from you forever! It is not so. It is here and now for all of you. S. S. S. is waiting to help you! There is a reason why S. S. S. will help you. When you increase the number of your red-blood cells, the entire system undergoes a tremendous change! Everything depends on blood-strength. Blood which is minus sufficient red-cells leads to a long list of troubles. Rheumatism is one of them. S. S. S. is the great blood-cleanser, blood-builder, system-strengthenener, nerve-invigorator. It stops skin eruptions, too, pimples, black-heads, acne, boils, eczema. It builds up run down, tired men and women. Healthy complexions, make the flesh firmer. Start S. S. S. today. It is sold at all drug stores in two sizes. The larger size is the more economical.

S.S.S. makes you feel like a new man!

Where the Greater Value Is

YOU step into the driver's seat of your Overland without contortion. There is ample room between wheel and door-jamb. You find standard controls. You ride in greater comfort because of the easy cradling of the Triplex Springs.

(Patented). It costs you less because of oversize tires, sturdy construction and a gasoline mileage of 25 and better. You take pride in the longer lines, higher hood, lower seats. Drive an Overland and realize the difference.

ADMITTS RECEIVING MONEY, BUT DENIES KIDNAPING CHARGE

Head Of Transportation Co. Is Released Under \$45,000 Bond.

Alliance, Feb. 12.—Charged with kidnaping, assaulting and robbing J. A. Hoiles, publisher of the Alliance Review, J. B. Cox, president of the J. B. Cox Transportation Co., was ordered held under bond of \$45,000 when he entered a plea of not guilty before Municipal Judge Moore here Saturday.

The case was continued until Wednesday. Cox arranged to obtain bondsmen, and was released from the Alliance jail.

The case of Wade Russell, 10, of Alliance, who confessed to being with Cox at the time of the alleged assault and robbery, was set for the same time.

Cox was arrested in Akron Thursday night on the three warrants issued here. He is charged with kidnaping Hoiles last June, assaulting him on a lonely road and then forcing him to promise to pay \$6,000.

Local police say \$1,000 was paid in cash the next day, \$2,500 a week later and another \$2,500 only 12 days later.

Denies Taking Money

In Akron, Cox admitted receiving the money from Hoiles, police say, but denied he obtained it by force. In the alleged confession, Russell told police he was with Cox in his auto on the night of the alleged robbery of Hoiles.

As Hoiles approached in his car,

Russell said, Cox left his machine in Russell's care.

Russell told police he saw Cox threaten Hoiles with a gun and beat him with a blackjack.

Prosecutor Shepard declared Saturday that new evidence had been uncovered in the probe of the murder of Dr. O. C. Walker, prominent Alliance physician, slain in a mysterious manner more than a year ago as he left his garage on an emergency call shortly after midnight.

When arrested, a newspaper clipping telling of an intended grand jury investigation of the murder, was found in Cox's pocket. The man immediately denied any knowledge of the crime.

Kelley And Children Held For Delinquency

Edward Kelley, Valley, and his four children, two daughters 19 and 14, and two sons, 18 and 17, are being held by Judge Riddle in juvenile court on a charge of delinquency after an investigation made by Probation Officer Snyder of Salem.

Kelley and his wife maintain that the charges are false and that the statements made by the children were obtained through fear of the officers. The family was brought to Lisbon Friday and the father bound over to appear in court. He later secured bond and was released to appear for trial later.

Boys Remove Stumps At Centennial Park

A "bang-up time" was enjoyed by all present Saturday afternoon when the Boy Scouts headed by Commissioner Lee R. Chamberlain and Scoutmasters S. B. Coles and H. P. Lowell dynamited stumps in Centennial park at the invitation of City Service Director John B. Bristol, who supervised the "big blow-out," which was planned as a part of the scouts' civic good turn.

The scouts will gather this afternoon to make a sanitary survey of the city and next Saturday they will again devote their attention to the remaining stumps in the park.

UNIDENTIFIED MAN KILLED BY TRAIN

The body of an unidentified white man, aged about 30, who was instantly killed Saturday night when he was struck by a Pennsylvania railroad passenger train near Summitville, is lying unclaimed at undertaking parlors in Salineville.

The only clue to the man's identity are the initials "G. W. H." tattooed on his right arm. There were no papers in the man's clothing to indicate his identity.

The man was of clean-cut appearance and was dressed as a laborer. He wore a brown coat, blue trousers, a black overcoat and overalls.

After striking the man the train was stopped and the body brought to Salineville.

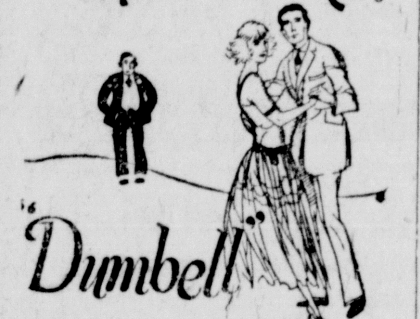

Lisbon Driving Club Will Elect Officers

Secretary U. V. Gaskill of the Lisbon Driving club has called a meeting of the members for Wednesday evening for the purpose of electing officers and preparing plans for the annual banquet of the organization which is held in March each year.

George Rogers is president of the organization and W. H. Felton is treasurer. The club has been organized since 1905 and each year has held a race meet on July 4. Their annual banquet is an event that is eagerly attended by all the business and professional men of the county and the program of after dinner speeches have always been exceedingly worth while.

Last year the club had for its speaker Hon. Simeon D. Fess of Yellow Springs, and this year an orator of equal ability and reputation will be secured.
